## Preventive Medicine Grand Rounds Special Session: Best Practices to Prevent Eating Disorder Progression in Primary Care

Wednesday, September 11, 2019  
1:00-2:30 pm ET

---

**Purpose:** The purpose of this webinar is to educate primary care providers about evidence-based practices to manage patients with eating disorders.

---

### **Presenters:**

**Christine Peat**, Ph.D., Director  
*National Center of Excellence for Eating Disorders*

**Martha Perry**, M.D., Medical Director  
*UNC Children's Primary Care Clinic*

---

### **How to Attend:**

This Adobe Connect link will be activated on time for the webinar:  
<https://adobeconnect.cdc.gov/r6bxapbaeyv/>.

---

**About:** The **Preventive Medicine Grand Rounds Special Session** is a webinar series co-sponsored by [Health Resources and Services Administration \(HRSA\)](#) and [Centers for Disease Control and Prevention \(CDC\)](#). These lectures provide an overview of strategies to integrate public health and primary health care at the national level. Presenters focus on applying systems-based approaches to prepare public health leaders to address major population health issues.

---

This is the second webinar in a two part webinar series. If you miss the first webinar, Preventive Medicine Grand Rounds Special Session: Early detection, screening and referral to evidence-based eating disorder treatment in primary care practice, you can listen to the webinar [here](#).

---
